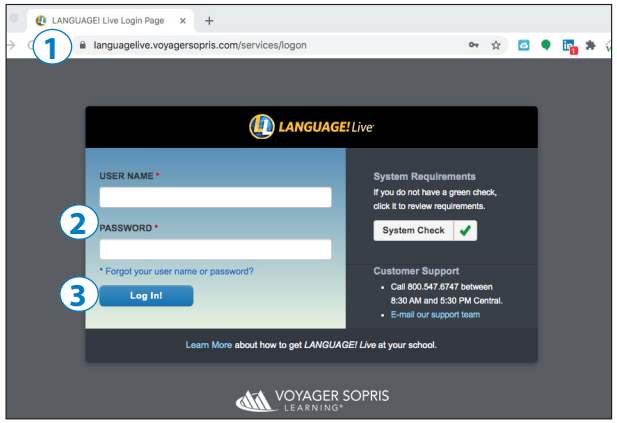
***LANGUAGE! Live* is an interactive, Web-based program that helps you learn important reading skills. In the Quick Reference guide, you will learn how to do the following:**

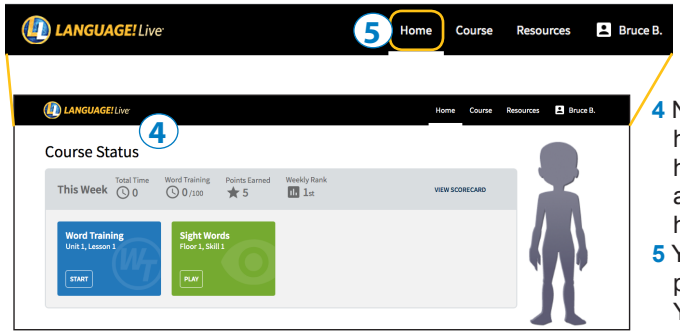
1. **Get started**
2. **Create an online avatar**
3. **Navigate the *LANGUAGE! Live* program**

## 1 Get Started

Your teacher will give you a username and password. Write it in the space above.

1 Go to http://ll.voyagersopris.com.
2 Enter your Username and Password.
3 Click **Log in!**



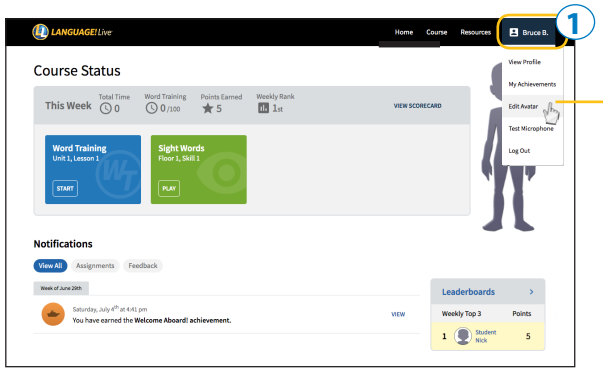


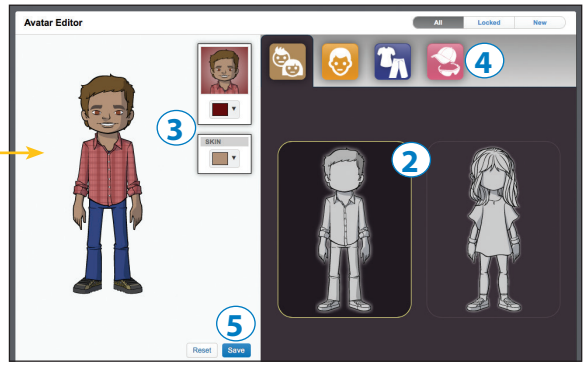
4 Next, you'll land on your homepage. Here, you will see how you are doing and any assignments that your teacher has for you.
5 You can go anywhere in the program from the homepage. You can always return here by clicking the **Home** tab at the top of the screen.

## 2 Create an avatar

In *LANGUAGE! Live*, you will use a custom avatar to represent yourself. Your classmates and teacher will be able to identify you by this avatar.

1 Click on your name in the upper right hand corner and click **Edit Avatar**.





2 Click on the male or female image to select a gender.
3 Select the background and skin colors using the drop-down menus.
4 Click the other tabs—face, clothes, and hat/glasses—to make your avatar your own.
5 Whenever you change or add something, the **Save** button is activated. Be sure to click **Save** to keep any changes you made! You can click **Reset** to go back to your last saved avatar.

6 When you're ready to exit, select any of the tabs at the top of the page.

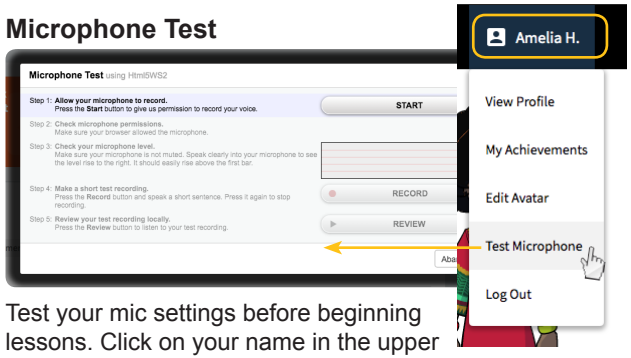
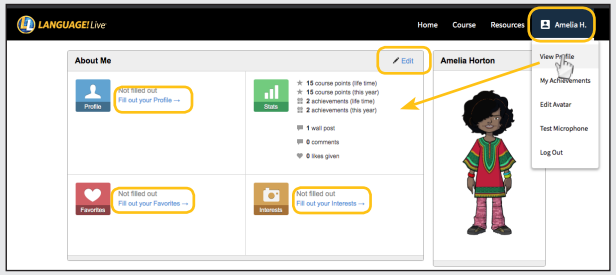
### Microphone Test



Test your mic settings before beginning lessons. Click on your name in the upper right hand corner and click **Test Microphone**. Follow the steps after you click **Start**.

### Profile

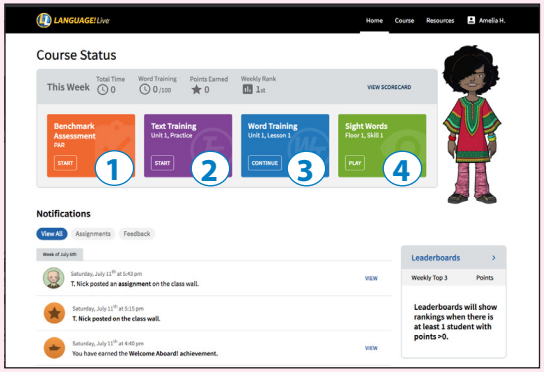


From this screen, you can make additions or changes to your profile. Click on your name in the upper right hand corner and click **View Profile**.

Here, you can describe yourself and your interests so that your teacher and classmates can know you better.

Click on **Edit** or any of the links to fill out as much or as little of the profile as you like.

### Assignments

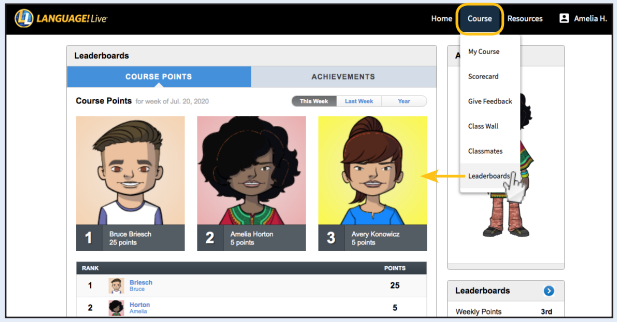


You will find all of your assignments on your **Dashboard** as soon as you log in.

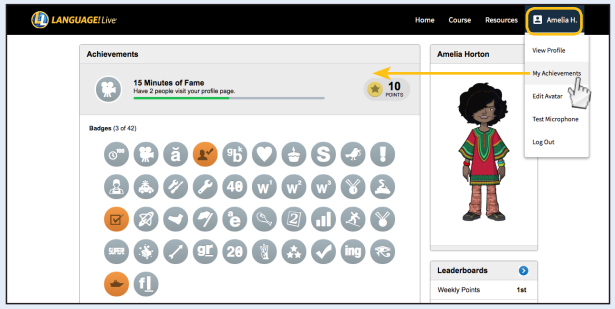
1 Tests are located in the orange box.
2 Text Training assignments are in the purple box.
3 Word Training assignments are in the blue box.
4 Sight Words games are in the green box.

A call-to-action button is on each colored box, such as START, CONTINUE, or PLAY. Click on the button to open the box and do the work.

### Leaderboards (Click LEADERBOARDS from the **Course** drop-down menu)

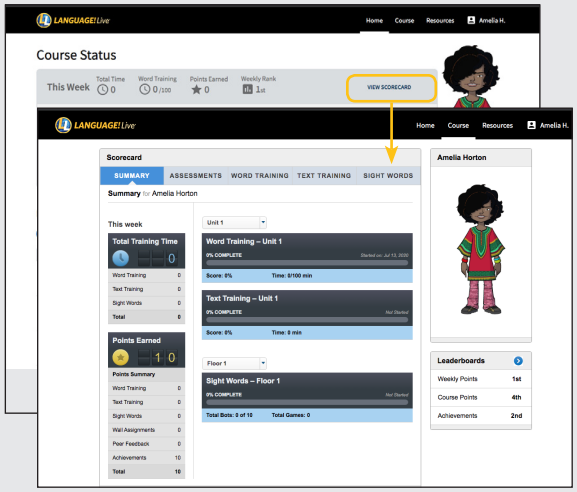


On this screen, you can view how you rank in both points and achievements.



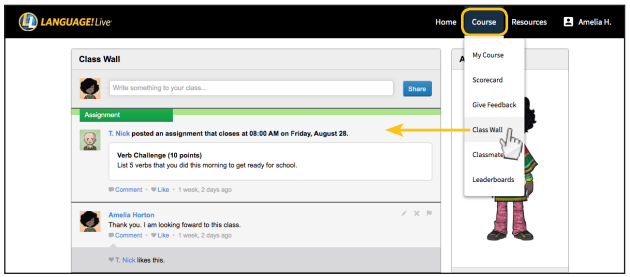
From the name drop-down menu, select **Achievements**, and you can see the achievements (badges, certificates, and points) you've earned, and those left to accomplish!

### **Scorecard** (Click VIEW SCORECARD from Home)



Your scorecard is like a progress report. Check it regularly to see how you're doing in the program.

### **Class Wall** (Click CLASS WALL from the **Course** drop-down menu)



The Class Wall is where your teacher will post announcements and assignments, and if allowed, where you can post comments, too!
